FROM THE EDITOR'S DESK

Our beautiful campus is a reflection of the energy and excellence that thrives at KCMT. Each department is dedicated to pushing boundaries and achieving success in their fields. This collective spirit is what truly sets us apart.

This newsletter provides a snapshot of the exciting academic, extracurricular, and cocurricular activities that took place in session 2023-24. You'll also find stories of our faculty and students' achievements, significant entrepreneurial and research work, including placements facilitated by the corporate resource cell.

We hope this 15th edition gives you a well-rounded view of our institution's vibrancy. We're incredibly proud of our team's dedication to propelling KCMT to new heights, horizons, and dimensions. The editorial board is thankful to the faculty and students who contributed to making this newsletter possible.

MILESTONE ACHIEVED

KCMT's University Gold Medalists 2023

Ms. Ayushi Gangwar
M.Sc Biotechnology

Ms. Rifa Khan
M.Sc Zoology

Mr. Hemesh Rathore
B.Sc Microbiology

These students scored the highest marks and achieved University Gold Medals in their respective departments, Honorable Governor Uttar Pradesh Felicitated them on 10 Nov 2023 .

KCMT's Incubation & Startup Cell

KCMT established ISC-KCMT for undergraduate and postgraduate students under the guidance of RIF-MJPRU and UIIC-AKTU. This cell will develop the interest in startups and help to hone up the small ideas of students towards onflooring in the market by providing them expert guidance in getting funds and handholding support.

INSTITUTE LEVEL ACTIVITIES

Faculty Development Program (18th -19th Aug)

A Two-day's Faculty development workshop on "Innovative Approaches in Teaching and Research" was held at KCMT on August 18th and 19th, 2023. Academicians and researchers from the various institutes of Rohailkhand region came together for this event. Renowned experts led the sessions, including Prof. R.K. Khandal (Former Vice Chancellor of AKTU), Prof. Suvidha Sharma (a prominent psychologist), Prof. Tulika Saxena (Head of the Management department at MJPRU Bareilly), and Dr. Prabodh Gour (Head of the Commerce department at KCMT Bareilly)

Orientation Program (25th -26th Aug)

To help new students adjust to college life, KCMT held a week-long orientation program for the incoming undergraduate and postgraduate students (23rd batch) for the academic year 2023-24. The program was scheduled from August 25th to 30th and offered a variety of sessions to familiarize students with the academic curriculum, social activities, and campus culture. Esteemed academic and industry professionals, along with senior faculty members, were invited to speak with the students. Managing Director Dr. Vinay Khandelwal, and Director-General Dr. Amresh Kumar offered their words of encouragement and well wishes to the new students.

Excellence in Academics Awards on Teachers Day (5th Sep)

At the teachers' day celebration, distinguished educators and principals from different schools and institutions received awards in categories like Guru Vasishta Award, Vidhya Sagar Award, Vivekananda Award, and others for their noteworthy academic accomplishments at the university, college, and school levels. The faculty and students paid homage to Dr. Radhkrishnan a philosopher and a teacher par excellence.

Cyber Security Awareness Campaign (01st – 31st Oct)

KCMT took the initiative to raise awareness about cyber security throughout October (1st-31st) by organizing Cyber Security Awareness Month (CSAM). This campaign aimed to educate young people especially senior citizens about protecting themselves from cyberbullying and cyber theft. KCMT collaborated with experts from the Cyber Crime Branch of the UP Police to deliver informative sessions and spread awareness messages throughout Bareilly City with the help of student rallies and the human chain. The program was inaugurated by the esteemed Dr. R.K. Singh, IG Police Bareilly Zone.

INSTITUTE LEVEL ACTIVITIES

Swarnima the Senior Citizens Felicitation (7th Nov)

KCMT hosted an event called SWARNIMA at the IMA hall to acknowledge the valuable contributions of senior citizens from the Rohailkhand region. The program served to honor their dedication to their families, friends, and society. This year, 51 senior citizens were recognized for their service by the Khandelwal Sewa Samiti and honored by chief guest, Shri Santosh Kumar Gangwar (former Union Cabinet Minister), and IMA officials in presence of Shri Girdhar Gopal Khandelwal the Chairman KCMT group of Institutions. The event concluded with an attractive Kathak dance performance by renowned dancer Pallavi Mukharjee from Kolkata.

Manavta Diwas & Christmas Celebration (25th Dec)

Christmas is celebrated in KCMT as Manavta Diwas. On the occasion, Shri Girdhar Gopal Khandelwal Chairman KCMT, Dr. Vinay Khandelwal, Managing Director, and Dr. Amresh Kumar, Director General Invited Distinguished Guests from academics, industry, and administration and distributed Blanket, Quilts, and clothes to the underprivileged peoples of the adjoining villages and distributed the material of household need like pulses and food grains.

Yuva Samvad – India @ 2047 (17th Feb)

KCMT hosted a discussion forum called Yuva Samvad, focusing on the topic of "India in 2047." Young people from KCMT and other institutions participated in the event, engaging in open discussions about the myths and realities associated with India's mission to become a developed nation by 2047 (Viksit Bharat Mission 2047). MLA Sh. M.P. Arya served as the judge and delivered the closing remarks, offering valuable insights on achieving this ambitious goal.

HR Conclave- (19th March)

The Department of Commerce and Management at KCMT hosted the 7th HR Conclave-SAMVAD. This year's event focused on the timely topic of "Education 5.0: Knowledge vs. Skills." The discussion brought together industry leaders and academics to explore the evolving educational landscape in the era of Education 5.0. Experts shared their perspectives on the necessary changes in academic and university curriculums to better prepare energetic young students for future careers. The conclave concluded with closing remarks from Er. Shradhha and our managing Director Dr. Vinay Khandelwal.

INSTITUTE LEVEL ACTIVITIES

International & National Seminars - (15th march-1st April)

To mark the conclusion of the 2023-24 academic session, Various departments at KCMT organized international and national seminars and conferences on their respective areas of expertise. The Department of Education hosted a National Conference on the “New Education Policy (NEP) 2020” Commerce and Management faculties held a conference on the “Viksit Bharat Mission 2047 & focusing on knowledge management in the age of Artificial Intelligence”. The Department of Science organized an international conference on “achieving sustainable development and productivity through pure and applied sciences, with bio and nanotechnology”. Finally, the Department of Computer Science hosted a seminar on “Artificial Intelligence and its applications for growth and development”. Each department invited renowned experts and keynote speakers of national and international repute to enrich these events. KCMT's Chairman, Shri Girdhar Gopal, Managing Director, Dr. Vinay Khandelwal, Director General, Dr. Amresh Kumar, and Principal, Dr. R.K. Singh, congratulated all the departments for hosting these seminars and conferences on crucial contemporary issues relevant to India's journey towards becoming a developed nation (Viksit Bharat) and a \$5 trillion economy.

9th Convocation at KCMT

KCMT celebrated its 9th convocation ceremony in the previous academic session, marking a significant occasion for the 22nd graduating batch of students from MJPRU (Mahatma Jyotiba Phule Rohailkhand University) and AKTU (Dr. A.P.J. Abdul Kalam Technical University). The ceremony was graced by the esteemed presence of Professor K.P. Singh, Vice-Chancellor of MJPRU Bareilly, as the Chief Guest, and Professor R.K. Kandal, former Vice-Chancellor of AKTU, as the Guest of Honor. Along with KCMT's Academic Council members, the distinguished guests distributed 350 degrees to the graduating students from different discipline along with college gold medalists

RESEARCH & DEVELOPMENT ACTIVITIES

KCMT RDC Biotechnology Member Dr. (Mohd.) Faheem Khan, Associate Professor, Department of Biotechnology performed research work on “Immuno informatics Strategy to Develop a Novel Universal Multiple Epitope-Based COVID-19 Vaccine”. His work was published in the MDPI VACCINE, Volume 11, Issue 4 (2023). Under his research work he has designed Vaccine for COVID-19 corona virus along with European research group Norway. His Research got well appreciation form MOHW government of India.

Another RDC member Dr. Nisha Dinkar Associate Professor, Department of Biotechnology performed research work on Estimating the production of withaferin A and Withanolide A in withania somnifera Dunal using aquaponics for sustainable development in hill agriculture. Her work was published in FRONTIER in Science Scopus Listed Journal of Applied Biology & Biotechnology in Plant Science Vol. X (IV), pp. 1-10 Oct-2024. She has worked to increase the production of the antioxidants withaferin A and Withanolide A in two varieties of withania.

They studied the medicinal values of Adhatoda Plant in bacterial, fungal and viral infection. It has been published in the International Journal of all Pharmaceutical Sciences & Research volume 15, issue 8, Jan 2024 impact factor 7.429

Our RDC member Dr. Munish Kumar Associate Professor, Department of Science performed research work on “Bulgarian chemical communications”. He has studied the intermolecular interaction between binary liquid mixture of dihydro mycenol that can be used by aroma in many industrial products.

COLLABORATIONS & MOUs

Recognizing the value of synergy between academic theory and real-world application, KCMT actively joined hand with various industries and professional institutions throughout the 2023-24 academic years. These collaborations provided students with invaluable exposure to the professional world, equipping them with the necessary skills to excel in job interviews and cope up with the difficulties & challenges of the business environment. KCMT collaborated and signed MOU with different Industries and Institutions in the year 2023-24.

-  Collaboration with Q-learn for Establishing the Education Assessment Cell.
-  MOU with KTO for Domain Skilling.
-  Agreement of courses with Expertron for up skilling the Students.
-  MOU with Code-Smart-Brain for CS IT Students.
-  MOU with IID-Indian Industry Development for Management & Commerce Students.
-  Collaboration with Rohilkhand Management Association-RMA

ENTREPRENEURSHIP & STARTUP CELL

The EIC, in collaboration with the different departments of KCMT, has seen significant success. Till date, they have mentored 12 startups that have successfully launched and captured their target markets. Building on this momentum, the EIC and the Department of Commerce are currently nurturing six-seven new startup projects in the FMCG and service sectors. These ventures have already completed their pitch decks and are in queue for launch with the help of potential funding from MSME.

ACHIEVEMENTS OF FACULTY & STUDENTS

KCMT Congratulates its esteemed faculty members on their recent academic achievements.

- 🎓 Mrs. Savita Saxena, Mr. Ghanshyam, and Mrs. Swati Kaushik from the Education Department were all awarded their Doctor of Philosophy (Ph.D.) degrees.
- 🎓 Mr. Gufran Ali from the Science Department successfully qualified for the prestigious CSIR JRF (Junior Research Fellowship) program.
- 🎓 Mr. Chanchal Srivastava from the Science Department awarded Doctor of Philosophy (Ph.D.) degree
- 🎓 Mr. Anupam Saxena from the Management Department earned his Ph.D. degree.

1. Dr Manoj Joshi & Dr Gaurav Bhadauriya from department of Science, authored a Book on the topic Microbial World, Techniques and Heritage Botany ISBN 97893-340-5000-4
2. Dr. Shiv Swaroop Sharma from department of Education authored a Book on Special English Teaching ISBN 978-81-965714-7-4
3. Dr. Faheem Khan from department of Biotechnology authored a Book on Transposable Elements in Rice (*Oryza sativa*): Deciphering the rice genome ISBN: 620-67-55-290
4. Dr. Nisha Dinkar from department of Biotechnology has Published (granted) a research design patent as co principle investigator on "Computer vision system based agricultural robotic foliar sprayer"

6. The Department of PCM at KCMT created a captivating model highlighting the "Highlights of the Indian Space Programme." This impressive project was even selected for display in the Republic Day parade, a remarkable achievement for the department and its students.
7. Ms. Mumukshi Saxena, from M.Sc. graduate in Chemistry, for successfully clearing the UGC-CSIR NET exam.
8. Ms. Nikita Upreti, a B.Com (Hons.) student, who was chosen as a trainer for Girls NCC cadets at the national level. This prestigious honor signifies her leadership skills and dedication to the NCC program. An even more remarkable detail is that she received her official joining letter directly from Prime Minister Narendra Modi
9. KCMT recognizes Ms. Alsaba Siddiqui from Computer Science, for her exceptional achievements by awarding her the title of "Best Student" her excellence is not only in academics but also in her active participation in co-curricular & Social work activities.
10. Ms. Anjali Joshi, & Ms. Harshita from Computer Science, participated in the "May Queen Ball 2024" Competition held by the Bareilly Club. Ms. Anjali Joshi was awarded the title of "Miss Charismatic 2k24" and Ms. Harshita as Ms. Savvy.

DEPARTMENT LEVEL ACTIVITIES

Ganesh Utsav

KCMT observed the Ganesh Chaturthi festival with a vibrant procession. The celebrations began in the Department of Management and then proceeded through all the other departments on campus, culminating in the Department of Commerce. This festive parade likely involved an idol of Lord Ganesha and was a wonderful way for the college community to come together and celebrate the birthday of Lord Ganesha.

Freshers Party by Departments

KCMT's various departments hosted their own Fresher Parties, organized by their respective cultural committees. The events featured a lively mix of group and solo dance performances, mimicry acts, and even fashion shows. Each department culminated their celebrations by crowning a Mr. Fresher and Ms. Fresher.

Navratra Mahautsav by Departments

KCMT observed the auspicious festival of Navratra Mahautsav on October 21st, 2023. Throughout the day, the campus buzzed with a variety of co-curricular and extracurricular competitions. Additionally, a special Durga Pooja ceremony was held, followed by a devotional dance performance presented by students from all departments, creating a vibrant and spiritual atmosphere.

Diwali Celebration by Departments

In a vibrant display of festivity, KCMT students from various departments celebrated Diwali, the Festival of Lights. Each department transformed their space with beautiful Rangoli designs, colorful frills, and posters, creating a joyous and welcoming atmosphere. In evening all students and faculties enjoyed the busting of crackers.

Finance Budget 2nd Feb.

Bharat Ka Budget a full day Panel Discussion was organized on 2nd February 2023 in association with Rohilkhand Management Association, Local Chapter of All India Management association with eminent economists, Entrepreneurs, Educationists & Industrialists along with RMA representatives, faculty and students and also answered the queries and questions of faculties and students.

Excursion Trips of Departments

To broaden students' perspectives and appreciation for Indian heritage, various KCMT departments organized educational excursion tours. Students get on trips to captivating destinations like Haridwar, Nainital, Dehradun, Jaipur, Delhi, Chandigarh, and Mathura. These journeys allowed them to immerse themselves in the rich cultural tapestry and regional diversity of India.

DEPARTMENT LEVEL ACTIVITIES

Industrial Visits by Departments

Aroma Chemicals in Delhi | Ananda Milk Products, Gajroula
Patanjali Herbal, Haridwar | Parle foods, Rudrapur | B.L. Agro, Bareilly

GAMES & SPORTS

Brijlal Memorial Basketball Tournament

17th Inter School Basketball competition was organized on 09th and 10th of January 2024. A total 14 teams of Boy's and Girl's categories from Bareilly District participated in the event. Hartmann College Bareilly dominated the competition, winning the championship trophies in both the boys' and girls' categories. Radha Madhav Public School secured the runner-up position in both categories.

Annual Sports Meet

KCMT hosted its 17th Annual Athletic Meet on February 16th, 2024. Over 150 students participated in various athletic events category for both boys and girls. Dr. Vinay Khandelwal (Managing Director), Dr. Amresh Kumar (Director General), and the Principal of KCMT presented awards to the winners in each category. Mr. Abhinav Singh, KCMT's Sports and Games Officer, coordinated the event.

Interdepartmental Girls Kho-Kho Competition

KCMT organized interdepartmental volleyball matches for female students from various academic programs in March 2024 month. The B.Sc. (PCM) department secured victorious, first- position. The Education Department team claimed the runner-up position. Our Sport officer and team coordinated the successful event.

Interdepartmental Cricket Match

KCMT held interdepartmental cricket matches for male students on March 4th and 5th, 2024. All departments participated in the tournament. B.Sc. (Biotechnology) department secured the victorious position. The BCA department secured the runner-up position.

Intercollegiate Sports competitions

KCMT's Sports and Games department hosted intercollegiate sports competitions like table tennis, badminton, football, and cricket. Senior Secondary Schools and higher education institutions from the region participated. Dr. Vinay Khandelwal (Managing Director) and Dr. Amresh Kumar presented awards to the winning students. The Principal of KCMT delivered a vote of thanks, expressing gratitude to the participating students, teachers, and teams from the various institutions.

NCC & NSS ACTIVITIES

KCMT congratulates Ms. Muskan Yadav, a B.Sc. (PCM) student and NCC 8 UP Girls Battalion Cadet, for receiving a prestigious National Award from Major General UB Area in Delhi. Ms. Yadav's dedication and achievements serve as an inspiration to her fellow NCC cadets at battalion. Dr. Vinay Khandelwal (Managing Director), Dr. Amresh Kumar (Director General), Dr. R.K. Singh (Principal), and Lieutenant Rachna Singh from KCMT all extended their best wishes and congratulations to Ms. Yadav

KCMT's NSS department is proud to celebrate Ms. Sanjana Singh, a volunteer from the Education Department, for receiving a prestigious appreciation award from the President of India, Ms. Sanjana Singh's commitment to community service is truly commendable and a source of immense pride for the entire college. Dr. Savita Saxena, the KCMT NSS Incharge, was also recognized for her mentorship by both the college management and the NSS office of Bareilly District.

KCMT celebrates the accomplishments of NCC 8 UP Girls Battalion Cadet SUO Ms. Anshika Srivastava. Ms. Srivastava not only brought honor to KCMT but also to the entire Rohailkhand region by being selected to participate in the prestigious Republic Day Parade on January 26th, 2024, at Kartavya Path (India Gate) in New Delhi. Additionally, she served as the leader of the Uttar Pradesh team and actively engaged in various cultural and social activities during a 30-day RDC camp. This exceptional experience even included the opportunity to meet the President, Vice President, and Prime Minister of India. The college authorities expressed their congratulations and best wishes to Ms. Anshika Srivastava for her remarkable achievements and future endeavor.

TRAINING & RECRUITMENT ACTIVITIES

“Ready to Corporate” Training @ KCMT

To enhance the employability of MBA and MCA students, KCMT's Corporate Resource Cell organized a comprehensive 20-day sectorial training program from December 11th to December 31st, 2023. This intensive initiative focused on upskilling students through specialized training sessions delivered by industry professionals from leading corporations. The program incorporated both online and offline learning modes, with the primary objective of equipping students with the latest industry-specific knowledge, tools, and skills demanded by the job market.

Residential Live Summer Internship Program @KCMT

KCMT's Corporate Resource Cell (CRC) provided valuable practical experience to final-year undergraduate and first-year MBA and MCA students through a one-month Live Summer Internship Program (LSIP) focused on domain-specific training. The program offered students the opportunity to gain practical exposure in their chosen fields.

CRC invited industry professionals and trainers to conduct interactive sessions for the participating students. The LSIP concluded in a unique four-day residential industrial training certification program held in Manesar, Haryana. This residential component provided an enriching experience for the students, allowing them to participate in hands-on training and enhance their on-the-job learning.
