EDITORIAL NOTE

"Education is not just about the curriculum; it is about the courage to evolve."

Welcome to the **XVII Edition** of the KCMT Newsletter. As we flip through these pages, we aren't just looking at a record of events; we are witnessing the collective heartbeat of our institution. This past session has been a season of transformation—a time where we moved beyond traditional boundaries to hold innovation, research, and a deeper commitment to excellence.

In this edition, you will find stories of student successes, faculty breakthroughs, and our relentless pursuit of quality through institutional auditing and accreditation. We've focused on bridging the gap between classroom learning and industry readiness, ensuring that every student who walks through our halls is prepared for the world outside. But more than the data and the awards, this newsletter celebrates the human spirit. It highlights the mentors who go the extra mile and the students who dare to dream bigger.

We hope these highlights inspire you as much as the process of creating them inspired us. Thank you for being a part of the KCMT journey.

Happy Reading!

25 Years of Excellence

"From a humble seed to a flourishing forest of knowledge."

This year marks a historic chapter in the legacy of Khandelwal College of Management & Technology. As we step into our **Silver Jubilee Year**, we look back at a 25-year journey defined by resilience, innovation, and an unwavering commitment to Higher Education. Our story began in **June 2001** with a small, dedicated group of just **200 students**. Today, that small spark has grown into a roaring flame. KCMT has evolved into a leading educational brand in Northern India, a transformation made possible by the trust and belief of a large community. Our Assets:

- **30,000+** Parents and their dreams we have nurtured.
- **25,000+** Alumni Our greatest ambassadors, now leading and succeeding across the globe.
- **3000+** Students working abroad
- **800+** Students doing their own Business and Startups
- **110+** Corporate Partners Industry giants who believe in the quality and caliber of our graduates.
- **30+** MOUs with Top National and Corporate Bodies
- **20+** Value additional Courses
- **15+** University Gold medalist
- **08+** International Exposure Visits
- **03** Campuses

University Gold Medals of KCMT Students:

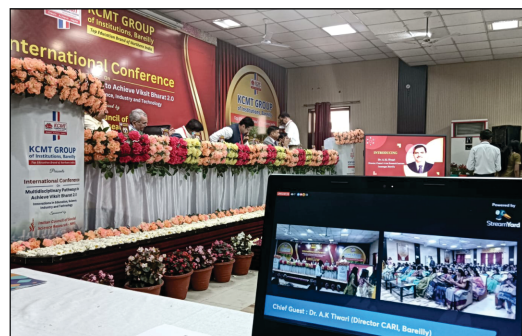

Ms. Huma from MSc. Biotech, *Ms. Kaushiki Rohila* from MSc. Zoology, *Mr. Nikita Johari* from the M.Ed. *Ms. Pranjal Saxena* M.Sc. Home Science, *Mustakeem* from M. Sc. Mathematics & *Ms Shweta Singh* from B.Sc. Biotechnology for year 2025 and *Ms Gulsaman Naseem Anasari* in M.Sc. Biotechnology for year 2024 scored the highest marks and achieved University Gold Medals in their respective departments, Honorable Governor Uttar Pradesh Felicited them at the time of University Convocation.

Conferences & Capacity Building Programs

ICSSR Sponsored International Seminar (On 22nd–23rd March 2025)

KCMT organized a two-day International Conference on the theme “Multidisciplinary Pathway to Vikshit Bharat 2.0.” The event brought together participants from across the world and featured six thematic tracks representing different departments. Researchers and academicians shared their ideas, research findings, and practical solutions to address global challenges, promoting meaningful discussions and knowledge exchange.

Academicians and researchers from various institutes of the Rohilkhand region also participated enthusiastically. The sessions were guided by renowned experts such as Prof. S. S. Bedi, Prof. Durgesh Tripathi, and Prof. Pradeep Kumar. Faculty members from KCMT and nearby colleges actively contributed by presenting their research work. Overall, the conference created an exciting academic platform highlighting innovation, collaboration, and multidisciplinary thinking for a progressive India.

ICSSR Sponsored Capacity Building Program (On 13th to 17th January 2025)

The department of Commerce organized a five-day Capacity Building Workshop sponsored by the Indian Council of Social Science Research. The workshop focused on ethical writing, AI tools, and effective publishing strategies, aiming to strengthen research skills and academic integrity among students and faculty.

The sessions were enriched by eminent experts including Prof. S. K. Singh, Prof. Sanjay Mishra, Prof. Gyanendra Singh, and Prof. Alok Srivastava. Experts from Indian Institute of Technology Kanpur, Indian Institute of Management Jammu, Jamia Millia Islamia, and Graphic Era University also shared valuable insights.

Faculty from KCMT and nearby institutes actively participated throughout the workshop and gained hands-on exposure to tools such as SPSS, R, AMOS, Python, and other research and publication techniques. Overall, the workshop proved highly impactful, enhancing research capabilities and publication readiness.

ICSSR Sponsored International Seminar (On 29th–30th April 2026)

KCMT Group of Institutions, Bareilly successfully organized a Two-Day International Conference on 29th-30th April 2026, sponsored by ICSSR-NRC, on the theme "India@2047", Global Partnership, Economic Growth and the Rise of Naya Bharat. The inaugural session was graced by Prof. Praveen Kumar Tiwari, University of Delhi, as the Chief Guest, while Prof. Vandana Sharma, Vice Principal, Bareilly College, Shri Krishna Ji from RSS, and Dr. Swatantra Kumar attended as distinguished guests. The conference featured four thematic tracks covering economic growth, innovation, sustainability, governance, and education. Track sessions were chaired by eminent academicians including Prof. Ashutosh Priye and Prof. Subodh Dhawan (Track I), Dr. Talika Saxena and CA Ishita Vidhyarthi (Track II), Dr. Sudhir Kumar Verma and Dr. Prempal Singh of MJPRU (Track III), and Prof. Veena Gupta and Dr. Ashwani Gupta (Track IV). The Valedictory session was presided over by Prof. A.C. Tripathi. The conference provided a vibrant platform for research presentation, knowledge sharing, academic collaboration, and meaningful discussions on building a strong, self-reliant, and globally competitive India by -2047.

9th National Conference of Biotechnology and Microbiology

environment.

The Department of Biotechnology successfully organized a National Conference on 21 February 2026 on the theme “Frontiers in Vaccine Research: Next Generation Solutions for Global Health.” The conference focused on recent advancements in vaccine development and their importance in addressing global health challenges. It brought together academicians, researchers, and students from various institutions, creating a platform for knowledge sharing and discussion. Eminent experts shared insights on innovative technologies, research developments, and future opportunities in vaccine science. The event provided a valuable learning experience and encouraged meaningful dialogue on public health and immunization, contributing to a strong academic and research

Conferences & Capacity Building Programs

9th National Conference of Department of Commerce

The Department of Commerce successfully organized its 9th National Conference on 28 February 2026 on the theme “Reskilling India for Industry 4.0.” The conference focused on the urgent need for skill development in today's fast-changing technological and industrial environment. It brought together academicians, industry experts, and students from various institutions, creating a platform for discussion and learning. Eminent speakers from Top B Schools like Doon University, Upgrad Education shared insights on emerging technologies, workforce transformation, and the importance of continuous reskilling. The event encouraged knowledge sharing and innovative thinking to bridge the skill gap in India. It concluded successfully, offering valuable insights and practical understanding to all participants.

Spiritual Enrichment @ KCMT

Our college organized a 7-day “Shri Mad Bhagwat Geeta Saptah” from 14th to 21st November 2025. The program was blessed by the presence of renowned international spiritual speaker Hemlata Shastri. Throughout the week, she shared simple yet deep teachings from the Geeta and explained how they can guide us in our daily lives.

Her words inspired students to live with mindfulness, discipline, honesty, and inner peace. The peaceful environment of the sessions helped everyone feel calm and connected. Students and faculty also took part in interactive discussions, where they related

the teachings of the Geeta to real-life situations, The entire program became a beautiful spiritual experience for all. It not only gave knowledge but also touched hearts and encouraged everyone to move forward in life with positivity, purpose, and values.

Institute Level Activities

HR Conclave (1st Nov)

KCMT department of Commerce hosted the 9th HR Conclave on 1st November, providing an interactive platform for students to engage directly with corporate leaders and industry experts. The session facilitated meaningful discussions on current industry challenges and practical solutions.

The panel featured distinguished speakers such as Dr. Swatantra Kumar, Dr. Manish Sharma, Neeraj Arora, and Amit Singh Athwal. They emphasized the importance of skilling, reskilling, and upskilling for students in 2026. The experts also highlighted that integrating startup and entrepreneurial skills within the academic curriculum is essential for building a self-reliant India and achieving the vision of a 5 trillion-dollar economy. They noted that with the rapid rise of AI in education and industry, traditional learning methods may soon become obsolete.

The conclave offered valuable insights and motivated students to align their skills with future industry requirements.

Manavta Diwas & Christmas Celebration (25th Dec)

Christmas at KCMT is celebrated as *Manavta Diwas*, reflecting the institution's commitment to humanity and social responsibility. On this occasion, Shri Girdhar Gopal Khandelwal, Chairman KCMT, Dr. Vinay Khandelwal, Managing Director, and Dr. Amresh Kumar, Director General, invited distinguished guests from academia, industry, and administration, along with respected senior citizens. They were honored with Lifetime Achievement Awards for their valuable contributions to the city and society.

The event also focused on community welfare, where the authorities distributed blankets, quilts, clothes, and essential household items such as pulses and food grains to underprivileged people in nearby villages. The celebration highlighted the spirit of compassion, service, and collective responsibility.

Republic Day Celebration (26th Jan)

The college celebrated Republic Day with great enthusiasm and patriotic spirit. The event began with a flag-hoisting ceremony led by distinguished guests, followed by a well-coordinated parade. A vibrant cultural program added to the celebration, featuring impressive tableaux, group dances, patriotic songs, and a thematic play.

The Chief Guest, Sanjeev Kumar, Guest of Honor Sh. Rakesh Khandelwal along with other esteemed guests, presented awards to students who excelled in academics, including gold medalists and university toppers.

The occasion was graced by Shri Girdhar Gopal Khandelwal, Chairman KCMT Group, Dr. Vinay Khandelwal, Managing Director, and Dr. Amresh Kumar, Director General, whose presence and blessings inspired the students. The celebration reflected a strong sense of national pride, unity, and achievement.

Institute Level Activities

Finance Budget (2nd Feb)

A full-day panel discussion on “Bharat Ka Budget” was organized on 2nd February 2026 in association with the Rohilkhand Management Association, the local chapter of the All India Management Association. The event brought together eminent economists, entrepreneurs, educationists, and industrialists for insightful deliberations on the Union Budget.

The session was graced by Dr. Manish Sharma, Dr. Vinay Khandelwal, and Dr. Swatantra Kumar. CA Rajan Vidhyarthi presented the key features of the Budget and engaged with faculty and students by addressing their queries.

The discussion provided valuable insights into economic policies and enhanced participants' understanding of the Budget's implications.

Excellence in Academics Awards on Teacher's Day (5th Sep)

At the teachers' day celebration, distinguished educators and principals from different schools and institutions received awards in categories like Guru Vasishta Award, Vidhya Sagar Award, Vivekananda Award, and others for their noteworthy academic accomplishments at the university, college, and school levels. The faculty and students paid homage to Dr. Radhkrishnan a philosopher and a teacher par excellence.

Institute Level Debate Competitions (7th Oct)

Debate competitions on “Artificial Intelligence” and “Cyber Security” were organized to engage students in meaningful intellectual discussions. The first competition, on the theme “Artificial Intelligence,” witnessed participation from 30 colleges across the region. Students presented innovative ideas and thought-provoking arguments, showcasing strong critical thinking and communication skills.

The second competition focused on the life and sacrifices of great Indian leaders such as Dr. B.R. Ambedkar, Mahatma Gandhi, Shaheed Bhagat Singh, and Chandrasekhar Azad, encouraging participants to reflect on their values, beliefs, and contributions, and their relevance in modern society.

Both events provided a vibrant platform for expression and learning. Mr. Abhay Singh from B.Com (Honours) stood as the winner in both competitions

Research & Innovation Cell

- ❖ Dr. Manoj Joshi has achieved a significant milestone by securing two patents for his innovative work in the field of technology and research. The registered inventions include “**Machine Learning–Based Environmental Sensing Device** for Monitoring and Control of Mushroom Cultivation Farms” and “**AI-Based Data Stimulation Device.**”

These patents reflect his dedication to research, innovation, and practical problem-solving. His work highlights the growing importance of artificial intelligence and machine learning in agriculture and data systems, contributing to technological advancement and sustainable development. This achievement brings pride to the institution and inspires students to pursue research and innovation.

- ❖ Dr. (Mohd.) Faheem Khan, Associate Professor in the Department of Biotechnology and has made a notable contribution to research in public health. His study focused on **Chronic Respiratory Diseases**, analyzing data from selected Asian countries over the period 1990–2023. Through his research, he identified key factors, major repercussions, and suggested effective remedial measures to reduce the burden of respiratory diseases in Asia. His work highlights important insights for improving healthcare strategies and awareness. In recognition of its quality and impact, his research has been published in *The Lancet Respiratory Medicine* (2026), bringing great pride to the institution.

- ❖ A **Hydroponics Culture Setup** has been established at KCMT by Dr. Humaira Rani, Assistant Professor in the Science & Technology Department. This initiative provides students with real-time exposure to soil-less cultivation techniques. The setup helps students understand different types of hydroponic systems, preparation of nutrient solutions, and methods of plant growth management. It serves as a practical learning platform, encouraging innovation and awareness about sustainable and modern agricultural practices.

- ❖ **Mushroom Cultivation Farming** has been established on the KCMT campus by Mrs Amita Pathak, Assistant Professor Department of Plant Sciences. This initiative aims to create awareness among students about the techniques, methods, and economic importance of mushroom cultivation.

The lab provides **practical learning and hands-on** experience, helping students understand the complete cultivation process. It also encourages self-employment and entrepreneurial thinking by showing how mushroom farming can become a sustainable source of income.

Collaborations & MoUs

Recognizing the importance of bridging academic learning with practical exposure, KCMT actively collaborated with various industries and professional institutions during the academic year 2025–26. These partnerships created meaningful opportunities for students to gain real-world experience, develop professional competencies, and enhance their employability.

Through these collaborations, students were better prepared to face job interviews and effectively handle the challenges of the dynamic business environment. KCMT also formalized these relationships by signing multiple Memoranda of Understanding (MoUs) with reputed industries and institutions. These initiatives reflect the institution's commitment to holistic education, industry integration, and preparing students for successful professional careers

Entrepreneurship & Startup Cell

Under the visionary leadership of Chairman Shri Girdhar Gopal Khandelwal, Managing Director Dr. Vinay Khandelwal, and the able guidance of Director General Prof. Amresh Kumar, KCMT established the Entrepreneurship & Incubation Cell (EIC) two years ago. The initiative aims to nurture entrepreneurial talent and empower students to become future business leaders by providing mentorship, guidance, and potential seed funding support.

The EIC, in collaboration with various departments, has achieved notable success by mentoring 18 startups that have successfully entered their respective markets. Continuing this progress, the EIC and the Department of Commerce are currently supporting three new startup projects in the agriculture and animal product sectors. These startups have been selected at the national level by the Ministry of Agriculture and RKVY-RAFTAAR are now being incubated at the IVRI Bareilly Incubation Cell, with promising seed funding support of ₹5,00,000 to each idea.

Uddyam A Business Plan Competition

KCMT actively promotes entrepreneurship every year by motivating students to develop innovative ideas and explore startup opportunities. Through its flagship event “*Uddhyam – The Business Plan Competition*,” the Department of Business Management provides a platform for students to present their business ideas before leading businessmen and industry experts of the region.

This initiative encourages students to think creatively, develop entrepreneurial skills, and gain practical insights into the business world. It also helps them build confidence, receive expert guidance, and understand how to transform ideas into successful ventures.

Dr. Vikas Lamba and Dr. Swatantra Kumar, along with senior members of All India Management Association and Rohilkhand Management Association, served as judges and provided valuable insights on the presented business ideas.

In the final results of Uddhyam 2025, the SRMS team secured first position, followed by the KCMT MBA team in second place, while the Invertis University team achieved third position.

Achievements of Faculty & Students

1. **Dr. R. K. Singh**, Dr Kalpana Katiyar, Mrs Rachna Singh, Dr Savita Johari from Department of Teachers Education, participated in an **International Workshop-cum-Training Programme on Generative AI in Education and Research**, sponsored by UNESCO and organized by MJPRU, Bareilly.
2. **Mr. Deepak Awasthi** published a research paper titled “*Deep Transfer Learning Technique for Multimodal Disease Classification in Plant Images*” in an IEEE journal.
3. **Mr. Ajeet Verma** from the Department of Business Administration, MJPRU, Bareilly, published a research paper titled “*Drivers of Customer Satisfaction and Adoption of Electric Cars in India: An Empirical Evaluation Across Multiple Brands*” in *Bizcraft – Journal of Faculty of Management Science*,
4. **Dr. Monika Saxena**, Dr. Manoj Joshi, and Dr. Chanchal Srivastava from Department of Science, contributed book chapters in *Water Security and Sustainable Management (Part I & II)* focusing on advanced technologies and community engagement for sustainable water management.
5. **Dr. Shalini Gupta** from Department of Chemistry, published a research paper titled “*White Aphids: Pose Significant Challenges to Agricultural Productivity*” in the *International Journal of Environment, Agriculture and Biotechnology*
6. **Dr. Shiv Swaroop Sharma** from the Department of Education has been honoured with the **National Excellence Teacher Award** in recognition of his outstanding contribution to teaching, academic dedication, and commitment to student development
7. **Ms. Anu Sunori** from Department of Commerce published a research paper titled “*Statistical Analysis of Subscription Fatigue: A Growing Consumer Phenomenon*” in the proceedings of the 3rd International Conference on Optimization Techniques in the Field of Engineering (ICOFE-2024).
8. **Dr. Nisha Dinkar** from Department of Biotechnology published a book chapter in Springer Nature, along with authoring a book on Biochemistry.
9. **Ms. Humaira Rani** from Department of Microbiology authored a book on nanomedicine and AI applications also she presented research on plant-based nanoparticles, along with securing a copyright in nanotechnology.
10. **Mrs. Amita Pathak** published research on phytoremediation using advanced biotechnological methods, contributing to sustainable environmental solutions.
11. **Ms. Farha Husain** from Department of Science, published a research paper on plant pathology, she also contributed a book chapter on bio-nematicides.
12. **Ms. Arshma Khan** published a research paper on bioactive compounds and their role in neurological disorders, contributing to advanced therapeutic research.
13. **Dr. Chanchal Srivastava** published around 7 research papers in reputed journals including Scopus-indexed journals and actively involved postgraduate students in research activities.
14. **Ms. Somiya Ankita Massey** contributed as a co-author to the book “*Resilient Earth: Emerging Frontiers in Environmental Sustainability.*” titled “*Waste, Circular Economy and Materials Sustainability in India: From Plastic Pollution and E-Waste to Resource Recovery and Lifecycle Thinking*” along with Dr. Manoj Joshi and Dr. Chanchal Srivastava.
15. Two M.Sc. Zoology students, **Tanmay Mishra and Ilmi Javed**, successfully published research papers in international and Scopus-indexed journals, bringing pride to the department.

DEPARTMENT LEVEL ACTIVITIES

KCMT “NAVRATNA” STUDENTS

❖ Shristhi Sharma

BCA. ThirdYear- DEBATOR Navratna

❖ Simranjeet Kaur

B.Com-H. First Year- CLASSICAL DANCE Navratna

❖ Preeti Patel

MBA II Year- SPORTS Navratna

❖ Tanishk Saxena

BCA-I Year - WESTERN DANCE Navratna

❖ Taranjot Kaur

B.Com-H III Year- ARTIST Navratna

❖ Bharat Pagrani

MBA-I Year CLASSICAL SINGING Navratna

❖ Prateek

MCA-II Year WESTERN SINGING Navratna

❖ Abhay Singh

B.Com-H III Year – OUTSTANDING Navratna

❖ Nikhil Dixit

M.Sc.- Biotech I Year – INSTRUMENTAL Navratna

KCMT @ NATIONAL LEVEL

Abhay Singh, a final-year student of B.Com (Hons), has consistently brought pride to KCMT through his exceptional communication, presentation, and oratory skills. Since his first year, he has been actively participating in various competitions and has secured top positions at college, university, district, zonal, state, and national levels. His journey reflects dedication, confidence, and a strong ability to express ideas effectively.

One of his remarkable achievements includes representing the college at the National Youth Parliament Festival 2025, where he secured a place among the top five participants at the national level. He also achieved 1st position in the District Round across the Bareilly region, demonstrating his deep understanding of national issues and excellent public speaking skills.

Adding to his accomplishments, Abhay secured 1st position at a prestigious national-level Artificial Parliament event held at Miranda House, University of Delhi. The event simulated real parliamentary proceedings, where he actively participated in a debate on the “Broadcasting Services (Regulation) Bill, 2023” and presented his arguments with clarity and confidence.

Abhay's achievements highlight his intellectual strength and leadership qualities. He truly represents the spirit of KCMT, and we wish him continued success in the future.

Cultural Activities

Ganesh Utsav

KCMT observed the Ganesh Chaturthi festival with a vibrant procession. The celebrations began in the Department of Management and then proceeded through all the other departments on campus, culminating in the Department of Commerce. This festive parade likely involved an idol of Lord Ganesha and was a wonderful way for the college community to come together and celebrate the birthday of Lord Ganesha.

Fresher's Parties by Departments

KCMT's various departments hosted their own Fresher Parties, organized by their respective cultural committees. The events featured a lively mix of group and solo dance performances, mimicry acts, and even fashion shows. Each department culminated their celebrations by crowning a Mr. Fresher and Miss Fresher.

Navratra Mahautsav by Departments

KCMT observed the auspicious festival of *Navratra Mahautsav* on *October 21st, 2025*. Throughout the day, the campus buzzed with a variety of co-curricular and extracurricular competitions. Additionally, a special *Durga Pooja ceremony* was held, followed by a devotional dance performance presented by students from all departments, creating a vibrant and spiritual atmosphere.

Diwali Celebration by Departments

In a vibrant display of festivity, KCMT students from various departments celebrated Diwali, the Festival of Lights. Each department transformed their space with *beautiful Rangoli designs, colorful frills, and posters*, creating a joyous and welcoming atmosphere. In evening all students and faculties enjoyed the *bursting of crackers*.

Excursion Trips of Departments

To broaden students' perspectives and appreciation for Indian heritage, various KCMT departments organized educational excursion tours. Students get on trips to attractive destinations like Haridwar, Nainital, Dehradun, Jaipur, Delhi, Chandigarh, and Mathura. These journeys allowed them to immerse themselves in the rich cultural tapestry and regional diversity of India.

Industrial Visits by Departments

The Departments of Science, Commerce, Management, CSIT, and Biotechnology at KCMT organized industry visits to provide students with practical exposure beyond the classroom. Science students visited Aroma Chemicals, Delhi, while Commerce students explored Mother Dairy, Delhi and Patanjali Herbal Park, Haridwar. Management students visited Parle Foods, Rudrapur and B.L. Agro, Bareilly. CSIT students visited Voltas, Rudrapur, and Biotechnology students visited IVRI, Mukteshwar and MRD Laboratories, Noida.

These visits helped students understand real-world industrial processes, plant operations, and work environments, giving them valuable practical insights and industry awareness.

Alumni Interaction

KCMT prioritizes developing and nurturing connections with its alumni. Throughout the year, various departments organize events where alumni can return to campus and share valuable insights with current students. This year, over 50 alumni from different academic disciplines participated in interactive sessions, providing students with current industry trends and career guidance. Dr. Vinay Khandelwal (Managing Director), Dr. Amresh Kumar (Director General), and HODs from different departments of KCMT, welcomed and extended their vote of thanks.

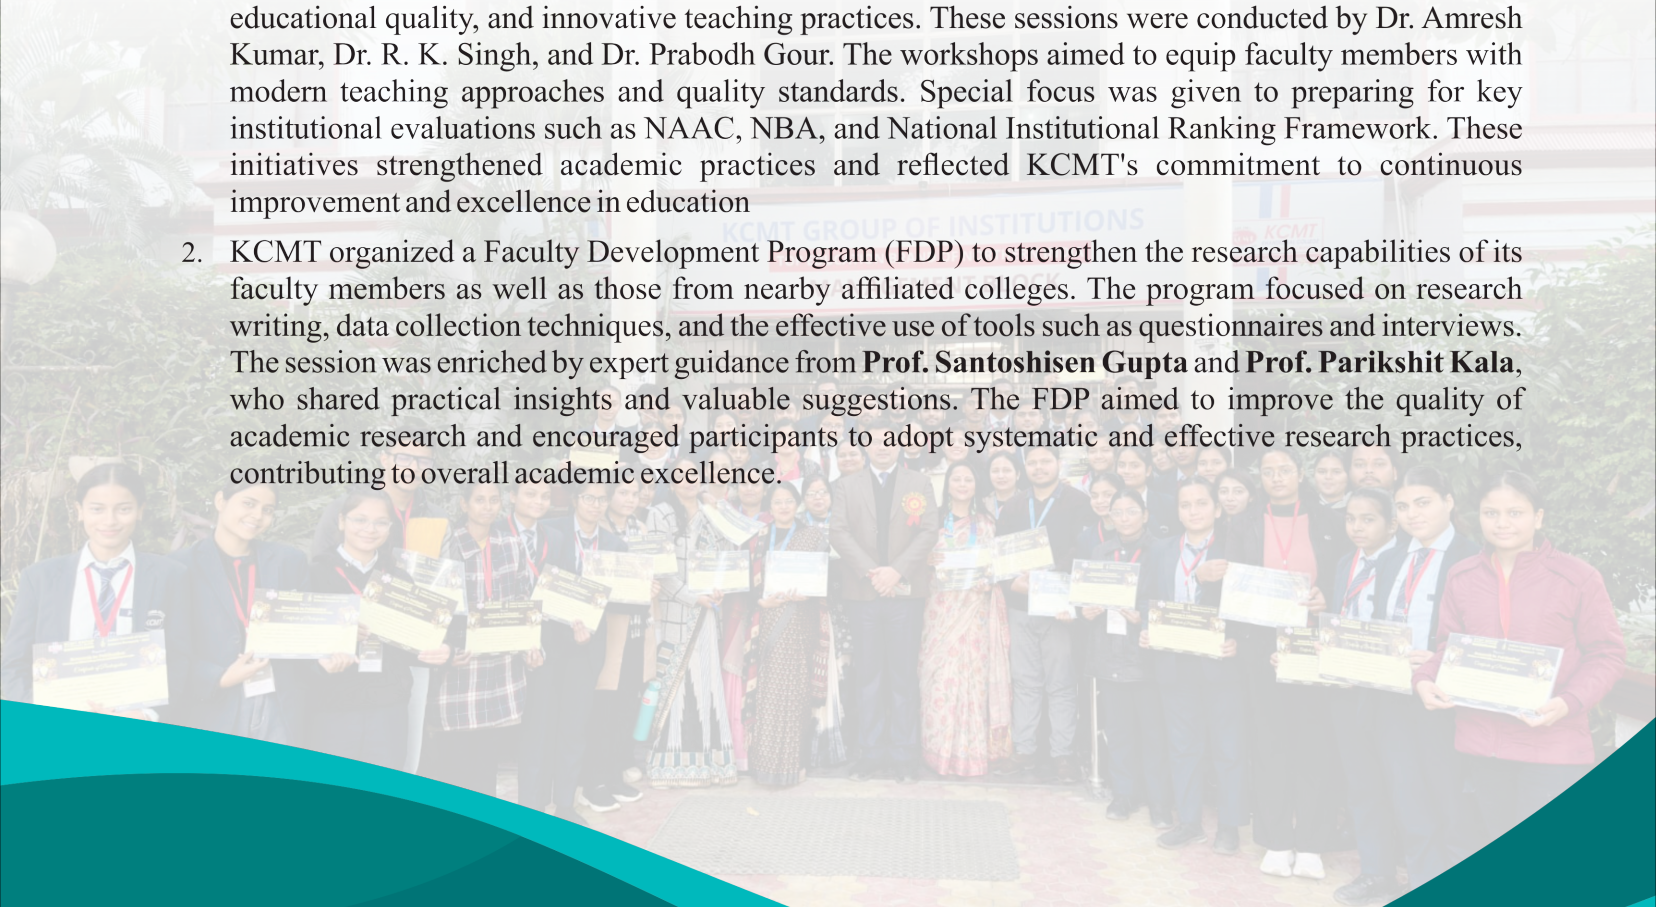

Guest Lectures & Technical Workshops @ KCMT

- ❖ Session on **“Team Building and Collaboration”** by Ms. Khushi (ASSOCHAM) – Management Department
- ❖ Expert talk on **“Opportunities in Pathology Sector”** by Mr. Nitin Srivastava (Pathkind India) – Commerce & Management
- ❖ Session on **Startups and Entrepreneurship after Graduation** by Mr. Jagdish Malik (GM, Castrol)
- ❖ Lecture on **“Artificial Intelligence and Cloud Computing”** by Dr. B. S. Bedi (MJPRU) – Computer Science
- ❖ Workshop on **Patent & Copyright Filing** by Mr. Rakesh Roy (MSME, Delhi) – Commerce
- ❖ Session on **Research Methodology & R Bibliometric Analysis** by Dr. Avinash Kumar (IIM Jammu) – Commerce
- ❖ **Data Mining Workshop** by Mr. Shailesh Mulchandani (NIIT, Delhi) – Commerce
- ❖ Full-day workshop on **Financial Investments & Returns** by CA Ajay Khandelwal – MBA
- ❖ Workshop on **People Analytics & Talent Acquisition** by Mr. Shishir Gaurav – Commerce
- ❖ **Gene Biotech** workshop by Ms. Abha Trivedi & Mr. Mayank (Rapture Biotech, Noida)
- ❖ **Up Skill-based** session by Ms. Shilpi Dixit – Home Science
- ❖ Workshop on **Nutrition & Dietetics** by Ms. Mukta Bohra (Senior Dietician) – Home Science
- ❖ Industry session on **Latest Trends** by Dr. Ashish Saxena (HR, BL Agro) – Science
- ❖ Lab session on **Micro & Psychological Teaching** by Dr. A. C. Tripathi – Education Department

Faculty Development Sessions

1. KCMT organized a series of faculty development workshops on Outcome-Based Education (OBE), educational quality, and innovative teaching practices. These sessions were conducted by Dr. Amresh Kumar, Dr. R. K. Singh, and Dr. Prabodh Gour. The workshops aimed to equip faculty members with modern teaching approaches and quality standards. Special focus was given to preparing for key institutional evaluations such as NAAC, NBA, and National Institutional Ranking Framework. These initiatives strengthened academic practices and reflected KCMT's commitment to continuous improvement and excellence in education
2. KCMT organized a Faculty Development Program (FDP) to strengthen the research capabilities of its faculty members as well as those from nearby affiliated colleges. The program focused on research writing, data collection techniques, and the effective use of tools such as questionnaires and interviews. The session was enriched by expert guidance from **Prof. Santoshisen Gupta** and **Prof. Parikshit Kala**, who shared practical insights and valuable suggestions. The FDP aimed to improve the quality of academic research and encouraged participants to adopt systematic and effective research practices, contributing to overall academic excellence.

Games & Sports Activities

KCMT organized several inter-departmental and inter-collegiate sports and games competitions during the academic session 2025–26 to promote sportsmanship among students. These events aimed to encourage active participation, teamwork, and a healthy competitive spirit. They also helped students maintain their physical fitness and mental well-being. Through such initiatives, KCMT continues to support the overall development of students by balancing academics with sports and co-curricular activities. Dr. Vinay Khandelwal (Managing Director) and Dr. Amresh Kumar presented awards to the winning students. The Principal of KCMT along with Sports officer delivered a vote of thanks, expressing gratitude to the participating students, teachers, and teams. Few glimpses are given below:

Interdepartmental Chess Competition

The Inter-Department Chess Competition was held on 24th September 2025, where students showed great focus and strategic thinking. The competition saw enthusiastic participation from different departments. Nadeem (MBA) and Anshika (MBA) emerged as winners with their excellent performance.

Interdepartmental Cricket Match

The Inter-Department Cricket Competition was organized from 12th to 20th February 2026. The matches were full of excitement and team spirit. The Science Department team won the tournament with their strong and consistent performance.

Intercollegiate Volleyball Competition

The Inter-School Volleyball Tournament was organized on 8th–9th November 2025. Teams from various schools participated with full energy and sportsmanship. Army Public School won the tournament by delivering an outstanding team performance.

Interdepartmental Volleyball Competition

The Inter-Department Volleyball Competition was conducted on 4th–5th November 2025. The matches were exciting and competitive. The BCA (Boys) team and MBA (Girls) team secured first positions in their respective categories.

Brijlal Memorial Basketball Tournament

The 19th Brij Lal Basketball Competition was held on 8th–9th January 2026. The event witnessed strong participation and high-level gameplay. Bishop Cantt Bareilly team won the competition with an impressive performance.

Annual Sports Meet

The 17th Annual Athletic Meet took place on 6th February 2026 with great enthusiasm. Students participated in various track and field events. Abhishek was declared the overall champion, while Faishal secured the second position.

NCC & NSS Activities

KCMT NCC cadets were selected for the Special National Integration Camp (SNIC) held in Jaisalmer from 26th November to 7th December 2025. The camp brought together cadets from 17 directorates across India, promoting unity and national integration. KCMT cadets performed exceptionally well and gained valuable knowledge about military history, strategic importance, and national security, making it a proud and enriching experience.

Kiran Kumari, Shivam Gangwar from Science Department and Ms. Sheetu Gurjar, from BBA department, along with NSS Officer Dr Savita Saxena was selected for the NSS National Residential Camp held in Himachal Pradesh for a one-week training program. The camp provided her with valuable exposure, learning experiences, and an opportunity to interact with participants from different regions.

Under the “Ek Bharat Shreshtha Bharat” initiative, Ms Payal Sahu and Ms Mamta Gangwar students from the Science Department actively participated in the II Camp held from 17th to 28th January 2026 at Jorhat. The camp aimed to promote national unity, cultural exchange, and mutual understanding among students from different parts of the country.

The college actively participated in the National Integration Camp held from 11th to 17th February 2026 at Maharaja Agrasen University, Baddi, Solan, and Himachal Pradesh. The camp brought together selected participants from different states across India, promoting unity, cultural exchange, and national integration. Students from the college enthusiastically took part in the camp and contributed to various activities.

A thought-provoking discussion on the theme “Nari Shakti Vandan Adhiniyam 2023” was organized at KCMT, Bareilly by NSS cadets. The program began with a warm welcome of the Chief Guest Prof. Dr. Neelam Gupta and Special Guest Shri Rajpal Singh. During the session, the speakers shared views and also emphasized that women today are not only voters but are also contributing to policy and law-making.

Training & Recruitment Activities

“Ready to Corporate” Training @ KCMT

To enhance the employability of UG and PG students, KCMT's Corporate Resource Cell (CRC) organized a comprehensive 30-day sectoral training program. This initiative focused on preparing students for the corporate world through structured training sessions conducted by industry professionals. The program was delivered in both online and offline modes, ensuring flexibility and wider participation. It aimed to equip students with industry-relevant knowledge, practical skills, and the latest tools required in today's competitive job market.

Live Internship for Upskilling @KCMT

KCMT's CRC also conducted a one-month Live Summer Internship Program (LSIP) for final-year students. This program provided hands-on experience in real corporate environments. Students completed internships in reputed organizations such as SBI, Kotak, Pathkind, and Nestlé, gaining practical exposure and industry insights. The internship helped students understand real-time work processes and enhanced their professional readiness.

Certifications as per Industry Demand

UG and PG students completed more than 30 hours of training in key domains such as Six Sigma, 5S, Data Analytics, Minitab, SPSS, R, Python, HR Analytics, Talent Acquisition, Financial Modeling, ERP-9, Busu, and Advanced Excel. These certifications strengthened their resumes and improved their competitiveness in the job market.

Annual Recruitment Drive – Niyukti

KCMT organized its annual placement drive, *Niyukti*, with great enthusiasm and participation. The event brought together many reputed companies from different sectors, creating valuable career opportunities for graduating students. Students got a chance to interact with recruiters, attend interviews, and showcase their skills.

The drive provided a strong platform for students to step into the corporate world with confidence. It also reflected KCMT's continuous efforts to support students in building successful careers and connecting them with industry opportunities.

During the 2025–26 academic sessions, CRC organized multiple online placement drives, creating strong placement opportunities for final-year students.
